Sir:

(Response)

I, Frank X. Budlewski am
objecting to the Pension Benefit
and OPEB CLAIM #18087. Also,
the Mis-understanding of my
Extended Care Benefits and
Accidental Accident INSURANCE.
that I have with Delphi Corp.

PLEASE read the following:

I, Frank X. Budlewski worked for
General Motors for approx 8 yrs. at
the Buffalo Axle Plant. The Business
(Plant) was sold to American Axle &
Mfg. I remained with American Axle
and Mfg. in Salary for another 11 yrs.
Around 1999 General Motors transferred
my Pension to Delphi Corp. along with
a few others and I was called a
Transitional Employee. When I Retire
I would have a Pension from Delphi and
American Axle & Mfg. My Benefits
would have to come from Delphi Corp.

A INJURY in 1997 and (3)
Surgeries forced me to Retire with

A Disability Retirement. From day one (1) I purchased Extended Care Coverage and Accident Insurance from Delphi. I was not allowed to purchase either from American Axle.

As of April 1, 2009. American Axle stopped my pension claiming I did not have Extended Care Benefits.

1) I feel Delphi should have picked-up the Disability I have because I have Extended Care Coverage with Delphi Corp.

2) I also have Accident Insurance with Delphi. I do not have 100% use of my left foot. Wear a huge brace on my foot and hobble with a cane.

3) I am also having a left hand problem due to a injury which gave me a Brised Spinal Cord (Cervical) At least 50% strength loss and getting worse.

4) The Amount of my American Axle pension was \$791.00 per month or approx. \$9492.00 per year which has been stopped.

I have been Advised by my Attorney to file the Letters.
